

Dear Members and Friends,

June 14, 2010

I hope everyone had a great Memorial Day weekend. I watched our local V.F.W. Post perform a meaningful and patriotic ceremony in honor of our country's service men and women at the Iron River cemetery. We are thankful for their sacrifices.

At our May meeting we adopted the new amendments to the club's constitution and by-laws. If you would like to read them, go to the club's web site at www.trailsnorthatv.org or you can request a copy through the mail by contacting one of the club's officers.

Posters and raffle tickets are being placed in some of our local businesses for our September 11th Fall Fundraiser and cash drawing. The state of Wisconsin is warning clubs and civic groups, who have applied for a raffle license, that it is illegal to send raffle tickets through the mail. Because this is our only fund raiser for the year, we sure could use your help. If you would, please send us a donation of 5, 10, 20 or more dollars and we will see that your name and relevant information are put on the appropriate amount of tickets which will then be placed in the hopper the day of the event. The tickets sell for \$5 each or 3 for \$10. It takes a lot to maintain our trails and to keep our club going so we need everyone's help. Thank you, and please try to make it to this important event. We are planning 2 bands, many donated prize raffles, food, your favorite beverage and a whole lot of fun!!

Members Larry and Joan Miller have agreed to be our club's "Care Committee". We have had a number of members in the hospital and a few others have had major life events, so our club has found the need to commit someone to seeing that these members know that the club is thinking of them during these times. So if you hear of a club member in one of these situations, let Larry or Joan know.

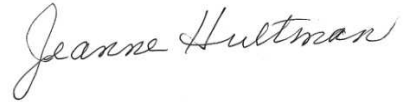

At our June meeting a rally committee sheet was passed around. We are asking for everyone who was on a committee last year to be on that same committee this year. Everyone did such a good job last year and you all helped to make it a success. If for some reason you can't help with the same jobs as last year or maybe would rather be on a different committee, please give me a call at (715) 372-5371 or let me know at the next meeting. Thanks.

Our club's picnic will be held on July 17th at the **Flying Eagle Resort** in their pavilion. Our club will provide the meat and buns and members are asked to bring a side dish. We will have a car at Iron River Auto Parts to take your dish to the picnic, as we will be riding ATVs from there to the picnic. The 15th of May we held the Nels Johnson plaque dedication. After the dedication we picked up trash along

the corridor and then rode to Port Wing. On this month's club ride we went to **Doorn's Inn** at Barnes and got a little wet on the way home. I also want to thank our sponsors at the **Green Top Restaurant** where we held our May meeting and **Tri Lake Timbers Resort** where we held our June meeting. They both provided us (as do all our sponsors) with a good atmosphere to hold our meetings and we appreciated the good food too! Our club is very fortunate to have great business sponsors that support and promote all of our club's activities. I thank you all!

Our next meeting will be held on July 14th, starting at 7:00 pm at the **Birchgrove Campgrounds**. Until then, have a happy 4th of July, have fun and ride safe!

Sincerely,

A handwritten signature in cursive script that reads "Jeanne Hultman".

Jeanne Hultman
President

P.S.

If you have any questions, suggestions, etc., please call any officer and we'll try to help.
