SECRETARY'S REPORT: There were two corrections to the minutes. First one was the name of Chuckie Nye not Christie, and the other correction was a type- O on Julie's name in the care committee report. There was a motion made by Bobbi Clark to accept the minutes and seconded by Rod Abbas

TREASURER'S REPORT: Dan Zak gave the Treasurer's report, and it will be filed for audit.

TRAIL REPORT: Rod Abbas gave the trail report. Roger has been working on the corridor with the Reclaimer. The trail is rough but it will take time to work the gravel back on the trail from the ditch to get the road level again. Rod leveled gravel on the Muskeg area and the Beaver dam is gone so hopefully that will help on that part of the corridor. Trail 31 going north should be in great shape as that has been graded a few times. Trail 31 going south has brush laying on the trail because the snowmobile alliance has been doing brushing along the trail and still has to go back and clear the brush off the trail before we can grade the trail. It was decided that there would not be a club ride this Saturday and we will have our Fall Color Ride on Oct 5th. Meet at the usual time of 10am at the Auto Parts Store, and the ride will leave at 10:30 am. Rod will head up the ride to where the best colors are.

RESIDENT'S REPORT: Jim Thanked Kevin & Pam for opening their doors for us to have our club meeting there last night. Jim Thanked Nancy for handling the T-shirt & Sweatshirts previously and now stated that Carrie Winningham will be in charge of all future ordering. Jim also informed the club that he and a few club members attended the County Board meeting on behalf of a couple from Washburn that was trying to have a part of County Hwy C opened for travel from their place into Washburn trail system.
